Date	Topics/ Skills covered
23 April 2025	Discussion of your initial ideas: Sketches and pictures are looked at and a small clay model will be produced as a visual aid for the stone carving. Your clay model will later be transferred onto the stone block, in an outline profile looking at each face/view - front, side, back and top.
30 April 2025	You will be taught in one large group about how to use the hammer and chisels correctly. YOU ARE STRONGLY ADVISED TO ATTEND THIS CLASS as it is key to your progression on the course.
7 May 2025	You will draw the outline profile onto the stone block. Faces will be removed by chiselling. Large areas of 'negative space' will be removed working along lines from face to face.
14 May 2025	As above
21 May 2025	As you remove the faces of the block the outline profile will start to appear as a 3 dimensional form. Smaller areas of 'negative space' will be removed.
28 May 2025	You will continue to remove smaller areas of 'negative space' and the sculpture will start to take shape.
4 June 2025	You will continue to remove smaller areas of 'negative space' and the sculpture will start to take shape.
11 June 2025	Now the roughing out has finished the more detailed carving commences.
