15/11/2025	<p>This is a fun taster course in ceramics for those who may be considering a longer evening course and would like to try working with clay.</p> <p>Throughout the session the tutor will lead the class in practical demonstrations for handbuilding techniques. You will be introduced to pinching and coiling, and how to smoothen, neaten, and apply coloured slip decoration. You will have the opportunity to paint, layer, and carve through the coloured slips to decorate your pieces.</p> <p>This course is aimed at all levels of experience and is a wonderful way to try out a variety of hand building techniques.</p> <p>Students will begin to understand the skills, materials, and techniques required to create hand built ceramic pieces. After the course, the tutor will fire and glaze your pieces, ready to be collected at a later date.</p>
