8 November 2025	<p>In the morning, there will be an introduction to abstract art, processes, and artists. There will be an ideas discussion with your tutor, who will guide you on the different ways of working with ceramic clay. You will then explore your ideas by sketching in clay.</p> <p>In the afternoon, we will discuss your sketches and decide what to take forward.</p>
9 November 2025	<p>You will continue with your personal project using techniques learnt on the previous day with support from your tutor.</p> <p>Your final ceramic piece will then be fired. Please be aware we are not using colour slips or glazing in this course. The clay used is black grogged which will turn to dark brown after firing.</p>
