A reliable computer/ laptop/ smart phone

Good internet connection - broadband wired or wireless

Working Webcam - built in or USB plug-in

Working Microphone

Zoom account created prior to start of the first lesson. - There are many videos and links online that describe the process of creating Zoom account. If you are struggling you can contact us and we can help to direct you towards these.

Please note that the Art Academy cannot be held responsible for your technology and/or connectivity. If for any reason (including technical) students are unable to take part, we will not be providing compensation. We are not responsible for any subsequent cost accrued from high data usage.

Date	Topics/ Skills covered
9 January 2024	Idea Gathering We will be thinking about starting points for new creative ideas, combining written text and images and using collage to get creativity flowing
16 January 2024	Internet Sourced Images We will discuss the uses of sourcing material online, practice making found images our own and creative note taking
23 January 2024	Destruction We will be focussing on making a mess – destroying images, working back from intentional mistakes and pushing ourselves to be braver and bolder with our creativity
30 January 2024	Abstraction This week will focus on colour, form and texture. By experimenting in these areas we will expand our repertoire of mark making and colour mixing.
6 February 2024	Planning a Project Using techniques learnt in the first 4 weeks, and working from life too, we will learn how to plan an image or project using sketches, swatches and text
