

# **Terms and Conditions (Undergraduate)**

# 1. Introduction

This document sets out in detail the relationship between you and Art Academy London, which starts when you accept an offer of a place. These contract terms apply from 1 September 2022, for students commencing studies in the 23/24 academic year.

Currently, all our BA (Hons) awards are validated by the Open University which means that the Open University is the awarding body for all our Higher Education programmes that we deliver at Art Academy London. Further information on our partnership with the Open University is available from our website.

### 2. Your contract information

# 2.1 Before you apply

Before you apply for a place or accept the offer of a place at Art Academy London you should familiarise yourself not only with this document but with the Student and Programme Handbooks (and the regulations and policies signposted therein) and the Regulations for Validated Awards of the Open University, which together make up your contract information. By signing this document (terms and conditions) you are also agreeing to all regulations and policies contained and signposted within the aforementioned documents.

The Student and Programme Handbooks and the Regulations for Validated Awards of the Open University were included in your offer email (along with this document) and are also available on Art Academy London's website. You will additionally receive electronic and physical copies (with relevant updates for the academic year) upon enrolment.

Every effort is made to ensure that the information provided during the application and admissions process prior to starting at the Academy is accurate. This includes information provided at events such as UCAS fairs, Open Days, at your interview with us, and from our website and our prospectus.

# 2.2 Accepting an Offer

When you accept an offer of a place and your contract with Art Academy London takes effect, you agree to be bound by the terms of this document and the Academy's code of conduct, regulations, policies and procedures (including the student handbook, programme handbook and Regulations for Validated Awards of the Open University), any additional agreement that is required as part of your programme and the other documents referred to in this document. Accordingly, you should read this and the other documents carefully. They can be found on the Academy's website and, unless otherwise agreed, the latest versions of these documents will apply. Please refer any queries to the Academic Programme Manager or Admissions Coordinator. If you become a student at the Art Academy London you become a member of our community and are expected to treat all staff and students with respect, and can expect to be treated in the same manner.

# 3. Your contracts with the Art Academy London

#### 3.1 Your legal relationship with the Art Academy London

Your legal relationship with Art Academy London is comprised of two separate contracts: the first of these, known as the "pre-enrolment contract" arises when you accept an offer of a place, while the second, known as the "enrolment contract" is formed when you have met the conditions of your offer (if any) and enrolled as a student.

### 3.2 The pre-enrolment contract

Your pre-enrolment contract effectively reserves a place for you subject to the conditions of your offer letter. You have a statutory right to cancel your pre-enrolment contract during a "cooling-off" or cancellation period of 14 calendar days after the day you accept the offer. If you do not enrol by the deadline date you have been given by the Academy, your pre-enrolment contract will automatically expire at that date.

A deposit of £100 is required to hold a place on the course, which is deducted from your first year's fee. The Academy reserves the right to retain this deposit if you fail to enrol. If you cancel within the stated 14 calendar days this deposit will be refunded along with any other monies paid.

#### 3.3 The enrolment contract

You are required to enrol with Art Academy London at the start of your programme and to re-enrol as required (normally annually, see section 3.5 below). When you enrol at the Art Academy London, you become liable to tuition fees.

At the start of the academic year we will ask you to complete an enrolment process aiming to capture all your relevant details ahead of registration as a student. At the start of term and as part of induction we invite you to attend a registration session where you will formally register as a student at the Academy. As part of this we ask you to sign your Student Record form. This serves to confirm that the information you have provided is accurate, that you provide your consent for us to share your data as set out in the enrolment forms that enable us to support you as a student and make the data returns required of us, and that you agree to comply with our rules, requirements and regulations. Further information on how we use your personal data is detailed below in point 12 and is also available from our website.

# 3.4 Enrolling after the programme starts/ before the end of the statutory cancellation period

If your programme has already begun or is due to begin before the end of the statutory cancellation period referred to above, then, by accepting the offer of the place and/or by enrolling, you are agreeing that the Academy's service to you begins within the statutory cancellation period. Consequently, if you decide to cancel after the course has begun, you will be liable to pay a proportion of your tuition fees to cover the period from the commencement of the Academy's service to you until the date of cancellation.

#### 3.5 Re-enrolment

You are required to re-enrol at the start of each academic year. The enrolment process aims to update all your relevant details and confirm your continued registration as a student. At the start of the year and as part of induction we invite you to attend a re-induction session where you will receive important updates and information regarding the academic year ahead. As part of this we ask you to amend your Student Record form (if necessary). This serves to confirm that the information we have on record is accurate.

# 4. How to cancel

For the purposes of the Consumer Contracts (Information, Cancellation and Additional Charges) Regulations 2013, you have the right to cancel your acceptance of this agreement within a period of 14 days after the day on which you accepted the terms of this agreement, without giving us any reason.

To exercise the right to cancel, you must inform us of your decision to cancel this agreement by making a clear statement to this effect (e.g. a letter sent by post or email).

### 4.1 Within the cancellation period

If you cancel this agreement within the cancellation period, we will reimburse to you all payments received from you in relation to this contract using the same means of payment as has been used for the initial transaction.

### 4.2 After the cancellation period.

Beyond the statutory cancellation period, you must inform the Academy of your intention to withdraw. If you wish to withdraw from your course after its official start date, you will be liable for a fee.

- If you withdraw within the first four weeks of the start date of your programme (this includes induction
  week), you will not be liable for tuition fees and will receive a full refund of any contribution towards any
  annual tuition fees paid (excluding the deposit).
- After the first four weeks, but before the end of term one, 25% of the full year tuition fee is payable.
- During term two, before the start of term three, 50% of the full year tuition fee is payable.
- During term three 100% of the full year tuition fee is payable.

Further information regarding refunds is detailed in the Student Fees & Refunds Policy.

# 5. Changes to your programme

The title of programmes, programme specifications, outline module descriptions and an introduction to programme staff are all provided on our website under each subject area, and Art Academy London takes reasonable steps to ensure the provision of the educational services as described online and in our Prospectus. However, all these details are under constant quality enhancement review and from time to time it may be necessary to make improvements, including modifications to curriculum content. This may be required to refresh the programme and to ensure that it is fit for purpose or to reflect changes in sector guidance or requirements of external accrediting bodies or to incorporate student feedback.

Any minor in-year changes\* will be minimised as much as possible (minor changes\* are classified as those that do not change the aim of the programme or significantly change its' curriculum, learning outcomes or assessment). If it becomes necessary to consider making moderate or major changes to your programme we will consult you about these at the earliest opportunity. Moderate or major changes are subject to approval from the Open University and where possible, will not be introduced in-year (unless required for very specific reasons).

From time to time new staff will join and existing staff will leave. Changes in staff are not subject to student consultation. At times it may be necessary to temporarily replace tutors due to unforeseen circumstances. In such instances reasonable adjustments to the delivery of the programme(s) may be required to ensure that the full curriculum is delivered, if necessary by altering the schedule in consultation with students. Please refer to the undergraduate Student Protection Plan for further details.

\*Elective skills workshop courses may be discontinued or replaced as part of ongoing quality enhancement processes. Changes to Elective Skills Workshops are considered minor changes (and not classed as changes to your programme, under the jurisdiction of the OU). Although student feedback is central to any decision to change or alter the Elective Skills Workshop Courses offered, unlike programme changes, students will not be routinely consulted prior to changes being implemented.

#### 5.1 Student consultation

Wherever relevant, we will take all reasonable steps to keep students abreast of potential developments and to minimise any disruption which might result from any changes. As a student, we will consult you and give you an opportunity to provide feedback to us in relation to any major changes proposed and will attempt to minimise any adverse impact on you. We will not withdraw a programme until all enrolled students have completed their studies and will give you reasonable notice in the event of withdrawal or fundamental changes to your course. Please refer to the undergraduate Student Protection Plan for further details.

# 5.2 Changes occuring before you enrol

As an applicant, if it becomes necessary to make major changes to your programme we will tell you about these at the earliest opportunity (prospective students will not be consulted on proposed changes).

# 5.3 Circumstances beyond the control of Art Academy London

Art Academy London and your programme may be affected by circumstances beyond our control. Such circumstances include the temporary closure of buildings due to unexpected damage or events and institutional closure. Please refer to the undergraduate Student Protection Plan for details regarding the Academy's commitment to you under such circumstances.

# 5.4 Cancellation of programmes

Art Academy London also reserves the right to cancel a programme or course before that programme or course starts in circumstances where:

- an insufficient number of applications, offers or acceptances mean that the student experience cannot be guaranteed; or
- the programme or course is no longer viable for academic, regulatory, legal, commercial, financial or other reasons.

Please refer to the undergraduate Student Protection Plan for further details.

# 6. Location of study

Art Academy London currently has one site; Mermaid Court, located in London Bridge. It is important to note that as the Academy adapts and grows to meet the needs of students, you may be required to attend tutored sessions or be allocated dedicated studio space at locations other than those advised prior to your enrollment (at open days, interview, via publication materials, prospectus, website etc).

Where such changes occur, the Academy will endeavour to notify and consult students as early as possible. It is intended that the Mermaid Court site will remain central to the Academy's campus and we will endeavour to ensure that any new sites will be located within the surrounding South London area.

# 7. How we will communicate with you

Prior to enrolment we will contact you via the email address supplied. Once you have enrolled, Art Academy London will contact you individually by your private email address and as a student cohort via Art Academy London's Moodle. You should therefore check that the email address you have supplied is up to date and that emails from the Academy's Moodle are not going to your junk box. Important information is communicated through Moodle and the Academy takes no responsibility for students' failure to read notifications.

# 8. What you can expect of Art Academy London

Art Academy London will provide you with education services (including teaching, learning and, where applicable, research opportunities and assessments). In general, contact hours for all Academy undergraduate programmes (i.e. the average time each week when a student is in contact with a tutor through practical sessions, lectures, demonstrations, seminars, tutorials, etc) typically equates to 12.5 to 20 hours per week in BA Stages one and two (depending on the number of elective skills workshop courses students choose per term) and 10 hours per week in BA Year three for full time students. Contact hours for part-time students are typically 10 hours per week throughout the programme.

Provided that you successfully fulfil the requirements of your programme as outlined in the programme specification, pay your fees and otherwise meet your obligations as a student (as set out in your this document, the student handbook, academic regulations and associated policies), the Academy or its validating partner will grant you the appropriate award or qualification.

# 9. What Art Academy London expects of you

### 9.1 Engagement with your studies

You should engage with all learning activities which form part of your programme, subject to absence only for medical reasons or other personal reasons agreed in advance with your Programme Leader or the Academic Programme Manager.

It is important for you to understand that the programme specification and module descriptions provide a description of the structure of the programme, of the learning outcomes (i.e. what you will learn), and of the strategies for learning, teaching and assessment. The size of a module is measured in academic credits. In accordance with practice across the UK higher education sector, the Academy allocates one credit for 10 hours of notional learning time. Notional learning time includes all activities required for a student to achieve the learning outcomes of a module including contact hours (lectures, demonstrations, seminars, tutorials etc), directed study, independent study, and assessment activity (including preparation for assessment). Notional learning time is a benchmark and the actual time each student takes to achieve the required outcomes may be shorter or longer depending on the knowledge and skills of students at entry and their rate of progression through the programme.

#### 9.2 Attendance

You should also be aware that all programmes, courses and modules require a minimum level of attendance, which will be clearly stated in the student / programme handbook and the Attendance Policy. You must comply with such requirements in order to progress with the programme or to attain the appropriate award or qualification.

#### 9.3 Unsatisfactory Engagement

You are expected to adhere to the minimum benchmark set for attendance expectations (as set out in the attendance policy). Attendance will be monitored in accordance with the Attendance Policy. Where your record of engagement is considered unsatisfactory, you will be invited to discuss the matter and agree on actions for improvement. Sustained absence without contact may result in your withdrawal from their programme (please see 4.2 for fees liability).

Please see the Admissions Policy.

#### 9.4 Non attendance for legitimate reasons

Non-attendance at classes due to illness, or for personal or professional reasons does not provide the right to refunds, extra tuition or transferral to another class. However, in such an event we shall consider all the circumstances and take such action that we consider fair and reasonable.

#### 9.5 Behaviour

The welfare and wellbeing of all members of the Academy's community depends on the reasonable and disciplined behaviour of individuals. As a student you are required to meet the expectations set out in the Student Charter (code of conduct); Equality, Diversity and Inclusion Policy; Safeguarding Policy; Prevent Policy; Bullying and Harassment Policy; Sexual Harassment, Sexual Misconduct and Sexual Violence Policy and the Student Disciplinary Policy.

Any behaviour which fails to meet the Academy's stated expectations in respect of student behaviour, or which interferes with the proper functioning or activities of the Academy or those who work, study in, or visit the Academy, or which otherwise damages the Academy or its reputation can be considered a breach of the Student Disciplinary Policy and will be subject to disciplinary action (as set out in the policy).

# 10. Elective Skills Workshop Course choices

Whilst Art Academy London aims to offer Elective Skills Workshop Course options to reflect students' special interests, it cannot guarantee that all options will be available to all students. All Courses have a limited number of places. Similarly, it may not be possible to run certain courses if insufficient numbers of students have chosen that option.

The yearly programme of Elective Skills Workshop courses is made available on Moodle and each term's courses are released for self - enrolment via Moodle halfway through the preceding term.

#### 11. Fees

Fees for the full-time BA (Hons) Fine Art in the academic year 2023/24 are £25,950 for the three year duration of the full time programme or £29,700 for the entire six year duration of the programme part time. This equates to £8,650 per annum full time and £4,950 per annum part time if completed in six years. If the programme is completed part time in five years the entire fee will be £28,450 (which equates to £5,690 per annum). Tuition fees are subject to annual review and potential increase as detailed in 10.5 below.

Where students switch from full time to part time mode (or vice versa) part way through the programme, annual tuition fees will be recalculated pro rata from the relevant full programme tuition fee outstanding.

A deposit of £100 as outlined in point 3.2 is also payable on acceptance of the offer.

### 11.1 Payment of Fees

At current Art Academy London does not have access to the student loans company scheme and it is your responsibility to ensure that you have sufficient funds to pay your fees by the due date. Tuition fees must be paid before your programme commences.

Fees may be paid annually or termly. Full fees for the year or term are payable four weeks before the start of the year, where it's a new academic year, or in Week 6 of the preceding term during the academic year, except by prior arrangement. If fees for the term remain unpaid by the end of the preceding term, your tuition will be suspended until an agreement has been made in writing regarding the payment of the outstanding sum.

Fees can be paid by cheque or bank transfer, via post or in person, to the Academy Administrators. Cheques should be made payable to The Art Academy. For security reasons we do not accept cash payments. Any bank charges incurred by the Academy due to unpaid or represented cheques will be passed on in full to be paid by the student.

Payments made termly incur a 5% surcharge. Longer, individually agreed payment plans are subject to a 10% surcharge.

#### 11.2 Sponsors

If you have an agreement from a sponsor (e.g. an employer, or the government of another country) to cover your tuition fees, you must provide the Academy with a letter from your sponsor at the time of enrolment and registration. Art Academy London will then invoice your sponsor for your annual tuition fees. Parents, family and friends do not count as sponsors for this purpose. Please note that if your sponsor fails to pay your fees, you will become liable for any unpaid amounts.

#### 11.3 Non payment of fees

If your tuition fees are not paid, you may be referred to a debt collection agent and risk having your award withheld and graduation deferred, or not being allowed to re-enrol on a programme until all arrears have been paid. If you are experiencing financial difficulties in paying your tuition fees, you should tell the Academy and seek assistance at the earliest possible opportunity. Art Academy London will assist where it can by looking at how you can clear your debts over an agreed period of time within the academic year through a payment instalment plan.

If you raise what the Academy considers to be a genuine dispute regarding an invoice for tuition fees and notify the Academy of that dispute promptly after receiving the invoice, then, until the dispute has been resolved, the Academy will not exercise its rights and will allow you to continue with your programme.

If you have outstanding fees at the point of graduation, the Academy reserves the right to retain your degree certification and delay your participation in a graduation ceremony until all outstanding fees have been paid in full.

### 11.4 Non completion of study

There is no refund or reduction of fees for absence. Students who have paid the full year fees but fail to complete any term of the course must pay for that term in full. Fees for following terms will be refunded if written notice of withdrawal from the course is given, according to the schedule in 4.2 above.

#### 11.5 Tuition fee increases

Art Academy London reviews its fees on an annual basis, but will endeavour not to increase fees for enrolled students from year to year other than to account for the annual rate of inflation.

Where a programme lasts more than one academic year then unless stated otherwise the Academy reserves the right to make an inflationary adjustment to the tuition fee payable in the second and any subsequent year. The amount of any increase will be determined by the prevailing or expected inflation factors faced by the Academy at the time of setting the fee rates for the relevant academic year. Students will normally be notified of the fees for the following academic year on or around April 1st.

The level of any inflationary increase will be capped at a maximum annual increase of 5%.

#### 11.6 Retakes

Where a student is required to retake module(s) or a stage (only in line with the academic regulations) further tuition fees will be payable. These will be calculated pro rata in line with the credit value of the module or stage. The fee rate used for this calculation is subject to inflationary adjustment.

#### 11.7 Suspension of study

There may be circumstances in which a student may request a full or partial year out from their studies. Where such a request receives academic approval then as long as there is no repeated study, the tuition fee originally paid will be held over to cover the delayed period of study. Any inflationary adjustment to the standard fee due for the delayed year of study will need to be paid.

There is no automatic entitlement to a refund of any tuition fees paid in respect of a part of the course covered by the suspension of studies.

#### 11.8 Additional Costs

In common with other universities and colleges providing arts, design, media, crafts courses, your additional course costs (on top of your tuition fees and living expenses such as accommodation, food, social life etc) will include some or all of the following:

- Personal equipment
- Most materials for producing your own work
- Books for your own use outside course texts available through the Academy's learning resources
- Printing (and photocopying)

Students are responsible for providing all their own art supplies and other materials with the exception of basic supplies such as paper and clay in Elective Skills Workshop Courses. Some Elective skills workshop courses have a course materials fee ranging from approximately £15 - £50 per course (per term). All materials fees are clearly displayed on course documents and students are liable to pay these upon commencement of the Elective Skills Workshop course.

Based on a survey from our previous students, we estimate that materials costs will typically be between £500 and £1,500 per year, although this will vary depending on each student's individual approach, the materials, chosen disciplines and stage of the programme.

We strongly encourage students, as they increasingly specialise, to acquire basic tools/resources, along with appropriate consumable materials, depending on their creative discipline. Programme staff provide advice in this respect.

There are additionally some specialist extra courses (such as specific casting techniques), which do not form part of the main programme(s) curriculum and are optionally available to students to take subject to additional tuition fees. In such cases, availability and cost of courses are published internally through the VLE each term.

Periodically, as part of your studies, you are expected to visit exhibitions. Mostly, this will be independently as part of the development of your own artistic practice. Where these are an integral part of the programme/ session delivery, we will endeavour to select free exhibitions. You should be aware that you are responsible for any entry costs if this is not possible. However, we understand that where there is an entry fee, you may not always be able to attend and your tutor will prepare an alternative itinerary of free museum and gallery visits that you can follow, should you require.

#### 11.8.1 Graduate exhibition deposit

A deposit of £100 is required at the start of your final year for your graduate exhibition. This will be included in your fee invoice and returned upon graduation subject to the return of all Art Academy London equipment and the satisfactory removal of your graduate exhibition installation. The Academy reserves the right to retain this deposit if you fail to meet the above terms and invoice you for any additional costs incurred (for the disposal of materials or repair work to the exhibition space/building).

Students in receipt of a bursary are not required to pay the deposit. Those who are unable to pay this deposit due to financial difficulties may be eligible for assistance and should speak to the Academic Programme Manager for details. Where students have been exempted from paying the deposit, Art Academy London reserves the right to seek redress for any financial losses incurred by the student's failure to satisfactorily complete any tasks required to return Academy premises and property to its former condition after their graduate exhibition.

#### 11.9 Commission

Commissions or competitions may be offered to students through Art Academy London. If a student wins such a commission, a 20% commission fee is payable to Art Academy London. Commissions which a student receives on his or her own account do not incur any fee to the Academy. Sales of all work displayed during the Graduate Show and other exhibitions organised by the Academy is subject to a 20% commission payable to Art Academy London.

# 12. Intellectual Property

#### 12.1 Your intellectual property

You will own and retain the rights to any intellectual property (such as copyright, trademarks and patents) that you create during the course of your studies or research activities, unless you agree otherwise with the Academy. More than one type of IP may apply to the same creation. Patents, registered trademarks and registered designs are protected through application to the patent office in the countries where you seek to protect your work. Copyright and design-right are known as unregistered rights where your legal rights arise automatically upon creation of the work. There is no need to file an application for protection.

#### 12.2 Reproduction of student work

All students, however, grant Art Academy London permission to use their work or copies of their work (digital or otherwise) made at the Academy for academic, teaching and marketing purposes in perpetuity.

# 12.3 Art Academy London's intellectual property

As a student you may voluntarily participate in the delivery of Academy events, corporate days and public courses. All ideas, concepts, documentation, teaching materials and all existing and future moral and intellectual property rights relating to said events, corporate days and courses (including, without limitation, patents, copyright and related rights) are assigned to Art Academy London under the Copyright, Designs and Patents Act 1988 (and all similar rights in other jurisdictions).

# 14. How Art Academy London May Use Your Personal Information

You agree that, during and after your time at Art Academy London, the Academy will hold and process your personal data (including sensitive personal data) in accordance with the Data Protection Act 2018 (DPA) and General Data Protection Regulations 2018 (GDPR) and the Academy's Personal Information and Data Protection policy.

#### 14.2 Disclosure of personal data

A written contract will always be used where we are required to disclose personal data to an organisation or instruct another organisation to process personal data on our behalf (either personal data which the Academy discloses or where the Academy instructs another organisation to collect personal data on our behalf). That contract will include appropriate measures to protect the security of the personal data in question.

In regards to students, this will include the disclosure of personal data to external organisations which is required for the operation and administration of higher education provision. This may include the following organisations:

#### 15.1 Limitations

Other than as described in 14, Art Academy London shall not be liable for any losses or damages suffered by you, however caused.

We will not be liable to you for events outside our control which we could not have foreseen or prevented even if we had taken reasonable care. Your contract with Art Academy London (of which this document forms part) is between you and the Academy. No other person shall have any rights to enforce any of its terms.

Each of the provisions of your contract operates separately. If any court or relevant authority decides that any provision is unlawful (in whole or part), it shall be deemed to have been modified to the minimum extent necessary to make it lawful and the remaining provisions will be unaffected and will remain in full force and effect.

#### 17.2 Breach of contract

If you are in breach of your contract with Art Academy London and the Academy decides to waive that breach or refrains from, or delays in, enforcing its rights against you or requiring you to perform your obligations, that will not mean that the Academy has waived its rights against you for that or any other breach, nor that you have been released from those obligations.
