DATE	22/06/2024
DAY & TIME	SATURDAY, 10 AM - 4:30PM
LEVEL	ALL LEVELS
MEETING POINT	THIS WILL BE SENT A FEW DAYS BEFORE THE CLASS.

DAILY BREAKDOWN

Date	Topics/ Skills covered
Morning	<p>The day will start with some introductions to drawing outside, this will include a demonstration and some quick exercises to help students warm up. We will be discussing different ways to measure and how to create line drawings when observing different surroundings.</p> <p>Students will have an opportunity practice these techniques by finding a places nearby to draw.</p>
Afternoon	<p>In the afternoon students will create a tonal drawing.</p> <p>The tutor will demontsrate their process of creating a tonal drawing to guide students and give them a starting point. Students will choose a location that inspires them for their drawing, wehther it be Tower Bridge or something else nearby. Throughout the day, Natasha will be around to help and review the students work, giving guidance where needed.</p> <p>At the end of the day, students will meet to reflect on the day and if comfortable will present some of the work that was created whether completed or unfinished.</p>
