

COURSE TITLE	EXPLORING CLAY SCULPTURE
COURSE CODE	D2303003
TUTOR	FARNOUSH AMINI
START DATE	13/05/2024
DAY & TIME	MONDAYS, 2PM - 4.30PM
LEVEL	BEGINNER PLUS
LOCATION	MERMAID COURT

DAILY BREAKDOWN

Date	Topics/ Skills covered	Model?
13 May 2024	In the first session we will work with a life model, first working on a number of quick 'sketches' in clay, you will be shown different ways of looking at the figure in a 3D form. You will then work with the model on a longer pose.	YES 1/5
20 May 2024	We will start by choosing a pose to work on with clay. You will focus on measurements techniques learned from previous sculpture courses or your own experience. With guidance from the tutor you will take your own measurements and record them on a piece of A3 Paper as reference. We will work in 1/4 life size, learning how to use relevant tools for modelling.	YES 2/5
27 May 2024	BANK HOLIDAY - NO CLASS	
3 June 2024	You will work on finish the measuring of your sculpture. As we progress, you will be shown how to measure different parts of the body, furthering your skills and your observation technique.	YES 3/5
10 June 2024	We will continue working with a life model on measuring and modelling.	YES 4/5
17 June 2024	In our last session we will finish our sculptures and end the course with a a group crit. If you like, you will have the option to hollow and fire your works (extra costs involved)	YES 5/5
