## DAILY BREAKDOWN

Date	Topics/ Skills covered	Model?
28 October 2024	In the first session we will work with a life model, first working on a number of quick 'sketches' in clay, you will be shown different ways of looking at the figure in a 3D form. You will then work with the model on a longer pose.	YES 1/5
4 November 2024	You will be introduced to basic measurements and proportion working with clay. We will work in 1/4 life size, learning how to use relevant tools for modelling.	YES 2/5
11 November 2024	As we progress, you will be shown how to measure different parts of the body, furthering your skills. Introduction to sight size measurement technique.	YES 3/5
18 November 2024	We will continue working with a life model on measuring and modelling	YES 4/5
25 November 2024	After your final session, you will have the option to have your final piece hollowed and fired.	YES 5/5
