24/11/2024	<p>This is a fun, day-long taster course in ceramics for those who may be considering a longer evening course and are would like to try working with clay.</p> <p>Throughout the day the tutor will lead the class in practical demonstrations to help you begin to enjoy working with clay and creating ceramics using handbuilding techniques. You will be introduced to pinching and coiling, make your own pieces, learn how to smooth and neaten these and apply coloured slip decoration. You will have the opportunity to paint, layer and carve though the coloured slips to decorate your pieces.</p> <p>This course is aimed at all levels of experience and offers a wonderful opportunity to try out a variety of hand building techniques. Over the day, students will be introduced to fundamental skills. This is an intensive, informative day in a relaxed and fun environment.</p> <p>Students will begin to understand the skills, materials, and techniques introduced to create hand built ceramic pieces. After the day course the tutor will fire and glaze your pieces, ready to be collected a couple of weeks later.</p>
