## DAILY BREAKDOWN

Date	Topics/ Skills covered
30 November 2024	Create your first design and decide on a colour scheme; working first with lino you will learn how to carve and print your block using the reduction printmaking method of registration. Depending on the design you should be able to achieve a two to three colour image in a day. The scale of the block will lend itself to creating a Christmas Card design but this is purely optional. Traditional fine art prints can also be made on archival quality paper.
1 December 2024	On day two you will be offered the opportunity to switch to woodcut and learn how to create a multiblock print using a second block.
