## DAILY BREAKDOWN

Date	Topics/ Skills covered	Model?
26 October 2024	<p>Day one</p> <p>After preparing the paper for printing we will start working on a plate. Although we will be working on ready-made plates, we will cover how to prepare a plate using a rocker. Please bring along a good photo or drawing of the image you want to use as source, possibly printed at the same size as the plate ( 10x10 cm). You will be able to trace this onto the plate or you can draw it freehand. There will be some reference images available for you to work from as well.</p> <p>The rest of the day will be spent on producing the image on the plate using a scraper and a burnisher. The work will be intense and absorbing, feel free to bring earphones to keep you entertained!</p>	YES
27 October 2024	<p>Day two</p> <p>The day will start at the press. Each student will print a proof of their plate to see where it needs more work. We will cover inking and wiping techniques. We will then continue proofing and working on the plate, hopefully obtaining a couple of copies of the final print by the end of the day.</p>	NO
